Exoblanc *PDRN mask*

Embrace luxurious luminosity with **Exoblanc PDRN Mask**, an ultra-soft, highly nutritious treatment harnessing the power of two potent ingredients: Polydeoxyribonucleotide (PDRN) and Exosomes, to deliver unparalleled benefits for your skin's health and appearance.

PDRN X EXOSOMES SKIN REJUVENATION SYNERGY

02

PDRN - The Essence of Cellular Renewal

PDRN (Polydeoxyribonucleotide), composed of DNA fragments, stimulates tissue repair and collagen synthesis. Derived from salmon DNA with a 95% structural similarity to human DNA, it enhances micro vessel formation, improving skin circulation and nutrient delivery.

Rosa Damascena Callus Vesicles 500 ppm

Exosomes are nanovesicles secreted by cells that contain proteins, lipids, RNA (including mRNA and microRNA), and other bioactive molecules.

Derived from Rosa Damascena cells, these vesicles transfer bioactive compounds deep into the skin, promoting hydration, enhancing antioxidant protection, and supporting skin repair

03

What Exoblanc PDRN Mask offers:

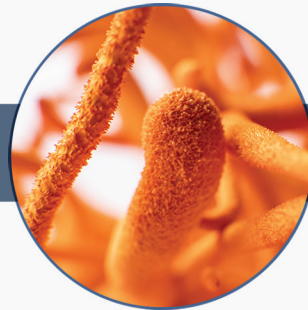

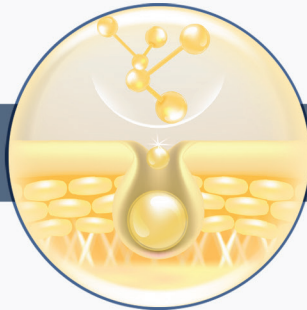

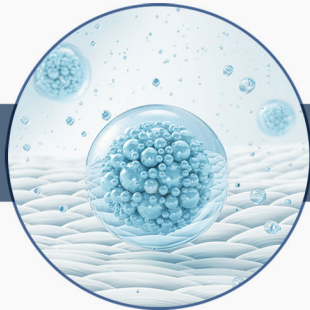

- Provides 30ml-equivalent of intensive nourishing essence per use
- Acts as whitening and wrinkle-improving dual functional cosmetics
- Offers immediate soothing, moisturizing, and revitalizing effects
- Enhances skin elasticity for a firmer, more youthful feel

Recommended to:

- Skin in need of immediate moisture and nutrition
- Sensitive skin requiring soothing from stress and irritation
- Combination skin lacking adequate moisture

Key Ingredients

- **PDRN:** promotes tissue repair and enhances collagen synthesis.
- **Exosomes:** facilitate deep penetration of active ingredients, enhancing skin hydration and rejuvenation
- **Niacinamide:** evens skin tone, minimizes the appearance of pores and fine lines
- **Adenosine:** calms and soothes irritated skin, smooths the appearance of fine lines and wrinkles
- **Centella Asiatica and various natural extracts (from flowers, roots, and leaves):** provide soothing and anti-inflammatory benefits which reduce skin inflammation.

05

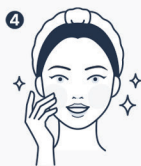

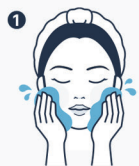

3-Peptide Complex:

- **Acetyl hexapeptide-8 (Argireline):** Exhibits excellent neurotransmission activity and muscle relaxant effects. It reduces age-related changes across all skin layers and helps improve wrinkles.
- **sh-Oligopeptide-1, and sh-Polypeptide-1** sh-Oligopeptide-1 and sh-Polypeptide-1 (EGF): Nobel Prize-winning for skin regeneration, these vpeptides rejuvenate and repair for a youthful, smooth complexion.

06

How to use

1. Cleanse and tone your skin.
2. Remove mask from pouch and apply to face.
3. Leave on for 10–20 minutes.
4. Remove mask and gently massage remaining essence into your skin.
